

## Issues

| #   | Project | Tracker | Status      | Priority  | Subject                                                                                  | Assignee         | Updated             |
|-----|---------|---------|-------------|-----------|------------------------------------------------------------------------------------------|------------------|---------------------|
| 314 | subtle  | Feature | Unconfirmed | Urgent    | Allow queue access from subtext                                                          |                  | 04/18/2013 04:32 PM |
| 320 | subtle  | Bug     | Unconfirmed | Normal    | Problem with Subtext::View.current not updating; :client_kill doesn't track dialog boxes |                  | 12/18/2018 02:36 PM |
| 310 | subtle  | Feature | Unconfirmed | Urgent    | specific tagged clients with custom color borders                                        |                  | 11/15/2012 03:34 PM |
| 319 | subtle  | Bug     | Confirmed   | High      | Subtle not compilable on Ruby 2.3                                                        |                  | 03/15/2024 12:19 PM |
| 175 | subtle  | Bug     | Confirmed   | Immediate | FUTEX_WAIT deadlock                                                                      | Christoph Kappel | 01/16/2011 03:23 PM |
| 282 | subtle  | Bug     | Confirmed   | Urgent    | Grab involving <B4> to <B7>                                                              | Christoph Kappel | 12/24/2017 07:49 PM |
| 307 | subtle  | Bug     | Unconfirmed | Urgent    | gtk3 does not work correctly in subtle                                                   | Christoph Kappel | 10/29/2012 02:43 PM |
| 205 | subtle  | Feature | Confirmed   | High      | Panel/spacer border setting.                                                             | Christoph Kappel | 11/08/2011 04:54 PM |
| 242 | subtle  | Bug     | Confirmed   | Urgent    | Recent clients order                                                                     | Christoph Kappel | 11/08/2011 04:53 PM |
| 295 | subtle  | Bug     | Confirmed   | Urgent    | Setting a client's gravity in a tag's @on_match@ is broken                               | Christoph Kappel | 12/24/2017 07:49 PM |
| 300 | subtle  | Feature | Unconfirmed | High      | support max_width style                                                                  | Christoph Kappel | 08/31/2012 05:27 PM |
| 312 | subtle  | Feature | Confirmed   | High      | Update tag modes                                                                         | Christoph Kappel | 01/25/2013 02:10 AM |
