

subtle - Bug #119

^C / SIGTERM doesn't work

12/08/2009 11:41 PM - Christoph Kappel

Status:	Not a bug	Start date:	12/08/2009
Priority:	Urgent	Due date:	
Assignee:	Christoph Kappel	% Done:	0%
Category:	Bugfix	Estimated time:	1.00 hour
Target version:			
Description			
SIGTERM isn't send to programs, this happens in bash and related shells - only zsh seems to be unaffected.
