

subtle - Feature #156

Keep screen on sticky

12/16/2010 02:53 PM - Christoph Kappel

Status:	Fixed	Start date:	12/16/2010
Priority:	Urgent	Due date:	
Assignee:	Christoph Kappel	% Done:	100%
Category:	Feature	Estimated time:	0.00 hour
Target version:			
Description			
When setting a client to stick, the last screen is used for mapping. Wouldn't it be better if the current active screen would be used?
