

## subtle - Bug #306

### Clock sublet stops refreshing (randomly?)

10/24/2012 07:49 PM - Rasmus Steinke

|   |                                  |
|---|----------------------------------|
| <b>Status:</b> Rejected   | <b>Start date:</b> 10/24/2012    |
| <b>Priority:</b> High   | <b>Due date:</b>                 |
| <b>Assignee:</b>  | <b>% Done:</b> 0%                |
| <b>Category:</b>  | <b>Estimated time:</b> 0.00 hour |
| <b>Target version:</b>  |                                  |
| <b>Description</b><br>Every now and the time in clock sublet is very far behind real time, sometimes a whole hour or more. reloading subtle fixes it, but it still is annoying. 'date' command in a terminal shows the proper time tho. |                                  |
