

subtle - Feature #314

Allow queue access from subtext

04/18/2013 04:32 PM - Kaito Michishige

Status: Unconfirmed	Start date: 04/18/2013
Priority: Urgent	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Description	
To allow for tagging of the next spawned client via command line, we'd need to be able to push a tag to the queue from subtler.
