subtle - Feature #8

Replace YAML config with ruby script

10/20/2008 10:35 PM - Christoph Kappel

Status:	Fixed		**Start date:**	10/20/2008
Priority:			**Due date:**	
Assignee:	Christoph Kappel		**% Done:**	100%
Category:	Feature		**Estimated time:**	0.00 hour
Target version:				

Description

The memory footprint of the yaml parser is **tremendous** and having a *normal* 'Ruby':http://www.ruby-lang.org script has many advantages.
